SPOTLIGHT – THE GREATEST VINEYARDS OF THE WORLD

TO KALON – OAKVILLE, NAPA VALLEY, NAPA VALLEY FLOOR, CALIFORNIA

About halfway up the Napa Valley, the sub-AVA (American Viticultural Area) of Oakville is located between the Vaca and Mayacamas Mountain ranges, which is considered as the ‘sweet spot’ for viticulture.

The **climate** here is particularly favourable with warm sunny days that helps grapes to fully ripen while cooling breezes / fog are rolling in from the nearby bay and further directed into Oakville by the Yountville Hills, especially in the mornings and evenings to moderate the heat. This ‘diurnal shift’ helps retain acidity even as grapes develop rich, ripe flavours.

The **soils** and **topography** across Oakville are varied – a mix of gravelly alluvial fans, especially on the western side at the foothills of the Mayacamas mountain range. Loams and volcanic-influenced soils on hillsides, especially on the eastern side with varied drainage, mineral content and fertility. The soil diversity from well-drained gravel to iron-rich volcanic loam forces vines to send roots deep and work hard, concentrating flavours in the grapes rather than producing bulky, overly, lush vines.

Here the famous Cabernets from the well-drained benchland soils on the alluvial fans at the base of the Mayacamas tend to be a little fresher and fine-boned than those of neighbouring Rutherford further up north. Closer to the valley floor, the richer Bale loams predominate, their rockiness helping drainage and moderating the richness typical of the middle of the valley. The Ulysses project of Christian Moueix’s Dominus of Yountville is here, as is the historic To Kalon Vineyard.

The regions’ ability to produce wines that combine New World ripeness (fruit intensity) with Old World-style structure and elegance gives Oakville a “best of both worlds” status amongst wine lovers and collectors.

The **To Kalon** vineyard was first planted in 1868 by pioneer grower H. W. Crabb. “To Kalon” is derived from Greek and roughly translates to “the place of highest beauty”. That name was meant to reflect Crabb’s ambition for quality. Over time the property was partitioned and sold off. Today parts are owned by Robert Mondavi, Beckstoffer vineyards, the MacDonald family and others. The vineyard was made famous by Robert Mondavi, who located his seminal winery on the edge of it. Such is the sheer exuberant quality of To Kalon Cabernet that its precise boundaries, ownership and name have been much fought over.

Because of its history, top quality terroir and consistent results, To Kalon is widely considered one of the greatest vineyards in the U.S. – sometimes even compared to “Grand Cru” vineyards in the Old World wine regions.

Cabernet-based wines from To Kalon tend to exhibit the following hallmark traits:

Rich, deep dark-fruit aromas and flavours such as blackberry, cassis, dark cherry – often layered. **Complex secondary notes.** Beyond fruit these wines often show cocoa, tobacco, leather, cedar/wood, graphite or mineral-like earthy spice – giving them a savory nuanced, “classic” feel rather than just jammy sweetness.

Structure and tannins, with elegance. They tend to be firmly built but balanced – with good acidity (thanks to cooler nights / fog), and tannins that provide grip but also age-worthiness.

Potential to age – or cellaring potential. Because of the built-up structure, tannins and balanced acidity and alcohol, many Oakville reds develop more complexity over years (and even decades).

Elegance meeting power. They often manage to combine intensity (fruit concentration, alcohol) with refinement (balance, finesse) – a combination that’s not easy to achieve.

Overleaf you will find a list of producers that source grapes in part or full from the To Kalon Vineyard and are available from our cellar at Rockpool Bar & Grill Perth.

Robert Mondavi is undeniably the most famous name in American wine and he was one of the most influential players in the Napa Valley's history. Robert founded his eponymous winery in Oakville in 1966. The To-Kalon Vineyard, originally planted by H.W. Crabb in 1868, formed the core of the property. Robert Mondavi's new project was the first in Napa to employ French oak barrels exclusively for aging wine and was among the original adopters of temperature-controlled, stainless steel fermentation tanks. In 1971, the winery released its first "Reserve" Cabernet Sauvignon, a benchmark wine for the valley. Over the next forty years, sons Michael and Tim would manage the business and winemaking, respectively, as Mondavi grew from a single Napa estate into an empire. In 2004 Robert Mondavi Winery was sold to Constellation Brands. Robert Mondavi died a few years later in 2008. The winery remains a fixture on Napa Valley's Highway 29 and retains roughly three-quarters of the nearly 600-acre To-Kalon site, perhaps Napa's most treasured valley floor vineyard site, and the principal source for Mondavi's Reserve Cabernet and Reserve Fumé Blanc selections.

269031	2021	Schrader 'CCS Beckstoffer, To Kalon Vineyard'	Oakville	1,450

Schrader's 'CCS' is produced from 100% Clone 4 Cabernet Sauvignon sourced from the C1 Block. This section of the vineyard is situated in the heart of the valley. An alluvial fan provides excellent mineral deposits, and the rich soils are filled with marine sediment. The wine is a rare blend of power, structure and elegance that balances rich fruit with more delicate floral notes. Full-bodied with muscular structure and ripe, polished tannins.

265241	2012	Schrader 'Old Sparky, Beckstoffer, To Kalon Vineyard'	Cabernet Sauvignon	1.5L 4,225
269381	2021	Schrader 'Old Sparky, Beckstoffer, To Kalon Vineyard'	Cabernet Sauvignon	1.5L 3,500

The most coveted bottling in the Schrader portfolio 'Old Sparky' Cabernet Sauvignon is blended from a selection of only the best barrels from the vintage and only bottled in Magnums. The wine is full-bodied with concentrated black and purple fruit balanced with elegant floral and spice notes, fresh acidity and firm ripe tannins. A wine that is built to age and recommended to cellar for 15+ years.

268980	2018	Opus One	Cabernet Blend	2,265
264601	2019	Opus One	Cabernet Blend	2,210
268909	2021	Opus One	Cabernet Blend	2,225

Opus One was formed in 1979 as a joint venture between Robert Mondavi and Baron Philippe de Rothschild of Château Mouton-Rothschild. In 1981 and 2008 the Opus One partnership acquired blocks in the To-Kalon vineyard from Robert Mondavi Winery, expanding its holdings in the vaunted Oakville vineyard to over 75 acres of vines. The estate has adopted a Bordeaux approach to viticulture, planting at high densities common in France, rather than the traditional wide-spacing of Californian vineyards. The vineyards are predominantly planted with Cabernet Sauvignon, the wine's backbone, but all five principal Bordeaux varieties are represented at the estate. After its debut, Opus One became a symbol of luxury winemaking in Napa Valley. In 2004, winemaking, always a joint effort between the two partners, was finally brought under the sole control of Michael Silacci. When Constellation Brands asserted control of Robert Mondavi Winery that same year, the company also gained Mondavi's 50% share of Opus One, but the Rothschild family and Constellation Brands reached an accord affirming continued operating independence for the Opus One estate.
